

Thibaut Routhe

Possession of French Driver's License

Profil

Student in last year of computer engineering studies. I'm looking for a 3 month (or more) internship abroad to put in practice my technical skills acquired in my studies and develop new ones. I am interested in front-end, back end, database management, development of mobile applications, programs in VR, AR or video games, Big Data and AI. I am available to start as soon as needed.

English | B2 | TOEIC 895 | Fluent

French | Native

SOFT SKILLS

- Adaptability
- Analytical skills
- Communication
- Initiative
- Problems solving
- Team work

TECHNICAL SKILLS

- Back-end
- Cybersecurity
- Database management
- Datascience
- Front-end
- Knowledge of UX/UI rules
- Knowledge of AGILE methods
- Mobile development
- Project management

HOBBY

- Science
- Technology
- Video Games

EDUCATION

- 2021 - 2024 **Computer Engineering School**
Specialization in Human-System Interaction
National Engineering School of Le Mans (ENSIM) - Le Mans
- 2020 - 2021 **Preparatory Program for Higher Technical Studies (ATS)**
Louis Rascol high school - Albi (France)
- 2018 - 2020 **Higher Electrotechnical Technician Certificate**
Louis Rascol high school - Albi (France)
- 2016 - 2018 **Science and Technology of Industry and Sustainable Development degree (STI2D)**
Louis Querbes high school - Rodez (France)

PROFESSIONAL EXPERIENCES

- 6 month
From March
to September
2024 **Docker integration of a windows software to be cloud ready.**
Internship | Company Sopra Banking | Rodez | France
- Docker integration of a c windows program and all it's dependency to run on linux server
 - Docker integration of a Java software
 - Use of DevOps and work practices of large software companies
 - Use of AGILE methodology
- 1 month
January 2020 **Livestock equipment maintenance and repair technician**
Internship | Company Agri Tech Élevage | Rodez | France
- Diagnosis and repair of an electrical cabinet without documentation
 - Diagnosis of a hay distribution robot
- 1 month
June 2019 **Livestock equipment installation worker**
Internship | Company Daffini SARL | Rodez | France
- Electrical cabinet assemblies
 - Milking machine installation
 - Creating a report on the operation of a milk level probe and how to set it up
